

REMARKS

This Supplemental Response is filed to submit a declaration by the Applicant regarding the drawings submitted with the previous Amendment. The declaration and the drawings are attached hereto. The Applicant prepared summary drawings of the systems taught by the prior art and the present application to more clearly illuminate the differences. No revisions have been made to any portion of the application, including the claims. The Applicant respectfully submits this Declaration and requests that the Office Action filed on January 16, 2009 and the Declaration be read in conjunction with each other.

If any issue regarding the allowability of any of the pending claims in the present application could be readily resolved, or if other action could be taken to further advance this application such as an Examiner's amendment, or if the Examiner should have any questions regarding the present supplemental response to amendment, it is respectfully requested that the Examiner please telephone Applicant's undersigned attorney in this regard. Should any fees be necessitated by this supplemental response to amendment, the Commissioner is hereby authorized to deduct such fees from Deposit Account No. 11-0160.

Respectfully submitted,

Date: 3/5/2009
